intro

A leader in SMALL HOME APPLIANCES in India, Inalsa brings some of the world's leading technologies and a wide choice of high quality home-care products to make people happy.

INALSA was established in 1967 and has since led the way through technological innovation and expertise to continuous growth. It is becoming a smart brand of the future, fast.

A pioneer brand in Food Processor in India, Inalsa brought renaissance in Kitchen appliances, showing a quick and easy way to make fine food and to pursue culinary-dream for those who want to do more than simply cook.

The prestigious INALSA brand, not limited to food processors, has an impressive collection of more than 200 products; with many firsts to its credit.

Quality and pricing makes INALSA products a bestseller for more than 30 years in India.

With more than 250 distributors and 10,000 retailers across the nation, and with its presence on e-commerce platforms, INALSA is deeply penetrated brand that is connected with consumers through form, functionality & choice.

INALSA is committed to enhance customer expectation, experience and satisfaction.

COME HOME TO HAPPINESS WITH INALSA.

duction

HAPPINESS COMES WHEN WE MAKE ROOM FOR IT!

INALSA home care products are made
“to make people happy”.

The value of INALSA products goes beyond form and functionality. Apart from aesthetic & innovative design, the ease of operation and handling and the perfection & satisfaction of the end result — simply put, **“is to make people happy”**.
